LEAs and Private Schools

Responsibilities under IDEA 97

- Child Find
- Eligibility
- Services, if any

M

New under IDEA 04

- All schools in district boundaries
- Consultation
- Proportionate share
- Written affirmation

All schools in district boundaries

- Private schools
- Elementary
- Secondary
- Religious
- Not preschools
- Probably private residential facilities
- Not home schools

Consultation with private schools representatives

- Child find procedures
- Evaluation and eligibility determination
- Services
- On-going process
- Child find/eligibility same as district schools
- How proportionate share will be spent

Written affirmation

- We have discussed
- We have decided
- Signed by representative of private schools
- Collectively (if organized)
- or individually (if not and usually this will apply in Utah)

Proportionate share

- Part B, 611 and 619 funds
- Count all eligible students in private schools P through 21
- Estimate allowed for 2005-2006
- Actual count next year
- Total federal sp ed money in district
- Private school students/total students = proportionate share

- Written affirmations
- Eligible student count
- Spending of proportionate share
